<b>**New Students to Valley Union</b>	<b>2:30 – 3:30 p.m.</b>

*\*\* "New Students" include students that did not attend Valley Union High School last year. Students that have just moved in to the area, that are changing schools from another high school district, or students that are coming from other states are "new students." Parents and guardians, please plan to meet with school employees at **2:30p**. Bring with you a copy of your child's birth certificate, immunization records, proof of residence, and any transcripts that you would like us to consider. Also, please plan on possible placement testing for English and math courses (45 – 90 minutes). (Students that were in the 8<sup>th</sup> grade last year in Elfrida, Pearce, McNeal, or Ash Creek elementary schools that have taken the ninth grade math placement test and have completed a 9<sup>th</sup> grade pre-registration form are NOT considered "new students.")*

All students that plan to attend VUHS during the 2019-20 school year are expected to come to registration. Students and parents are expected to submit registration packets, complete breakfast and lunch applications, and pay activity fees. Class schedules and campus maps will be available.

Sports Physicals: In the past, Chiricahua Community Health Center (CCHCI) has offered sports physicals for a discounted price. For more information, please call the clinic at 520-642-2222. CCHCI also has clinics in Willcox, Bisbee, Douglas, and Sierra Vista. For scheduling or further contact information, see [www.cchci.org](http://www.cchci.org)

**By far, the largest complaint encountered over school registration is the wait time. To address that complaint, and in order to streamline the registration process, we encourage students and parents to have – to the extent possible -- their own scheduling conversations BEFORE getting to school.**
